Re: Dunn Mine
ACT/037/017

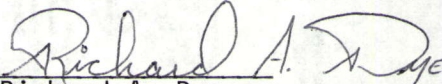

Dear Mr. Suchoski:

Atlas Minerals hereby requests an amendment in acreage to the Dunn Mine, Mining and Reclamation Plan.

An additional 1.4 acres will be required for a ventilation borehole and emergency escapeway site (please refer to the accompanying map). This acreage is in addition to the 0.5 acres previously specified on MR Form 1 attachment A. This will raise our total disturbed acreage to 30.9 acres. All reclamation activity at this site will be in concert with the Dunn Mine Reclamation Plan.

Should you have any questions in regard to this amendment, please contact me. Thank you.

Sincerely,

Richard A. Dye

Reclamation Engineer
